

PAYPAL- PREMIER OR BUSINESS ACCOUNTS

Description:

PayPal is the #1 payment system on the Internet. Apply for a Premier account If an individual wants to buy and sell on-line this is the account to get. PayPal is fully integrated with e-bay, PayPal is owned by e-bay making buying and selling on e-bay as simple as it can be. But your Premier account also allows you to take recurring payments automatically. Your Premier account gives you up to 8 different payment addresses allowing you to have multiple web sites selling 1,000's of items Automaticially Security is very high and very simple. Don't put your credit card or account numbers on-line! Use your e-mail address, something that's already on-line anyway
