

## **Daytona City Search**

### Description:

This is how you bring eager, targeted customers to your business. Help your customers find you. These customers are actively searching for you. They are looking for your Daytona business. Customers use our search engine because they want to find your business or service in Daytona. Register your business with Daytona City Search.com and receive the first 1,000 visitors free. It's really very simple, you get \$10.00 free credit to use. Just pick the keywords that describe your business. As an example if you are in the printing business you might pick keywords such as printing or advertising, assign a bid price of 0.01 ( 1 cent) for each click. When a visitor searches for one of your keywords your business comes up first. This is just like Google and Yahoo Search with one big difference, your business won't be lost among thousands or millions of other results. Click on the link to the right and try it out yourself.
